Dear Mr. Healy

This letter concerns Application 10/732,857 which is the patent application for the LIGHT TRIGGERED LIGHT SWITCH.

Thank you for helping me over the telephone with details of this work.

Please find enclosed a copy of the claims as they were submitted with brackets around the portion that printed wrongly. This copy also has the portion that needed correction in corrected form and underlined.

Please find enclosed a fresh corrected copy of the claims.

Please find enclosed 35 pages of discussion of the claims of Donald et. al., U.S.P. No. 6,320,994 in comparison to the claims for Application 10/732,857 which teaches the LIGHT TRIGGERED LIGHT SWITCH.

Very truly yours,

Gary Boovey
